

We have organised the Guide and Scout Water Activity Centre at Sandringham for accomodation for the Nationals.

There is a mix of beds, floor and camping space.

The options are:

- 12 beds in 3 rooms (4 beds in each room) \$30 per bed/night, (or \$120 per room/night if you don't want to have to share)
- camping space for 3 biggish tents/caravans/camp trailers, \$20 per person/night
- floor space in the hall (might need to roll up your bedding each morning depending on the number of people staying), \$10 per person/night

We have it booked from 28th December to 5 Jan (8 nights)

It has an excellent kitchen, toilets. showers, air con, good view of the bay, 8 minute drive/13 minute bike ride to BRYC...

No dogs inside, no smoking anywhere, BYO bedding (for the bunk rooms), BYO everything for camping and the floor space.

If you would like to book your place(s), please email me with your requirements, I'll check it's still available, and send you the price and payment details (it'll be a bank transfer). You will need to pay to confirm your spot.

Any queries, give me a call or email. We are happy to share photos if you would like.

thanks,

Morwenna (0401 491 051, morwenna@griffithshunt.family)
